Format: Four Person Scramble Tournament/Shotgun Start

Scramble Rules:

1. All team members tee off on each hole and then select the best tee shot and mark the spot with a tee or ball marker.
2. The other team members pick up their balls and place them within one club length (no closer to the hole) of the marked spot. Each team member hits their next shot from the chosen spot.
3. Play it as it lies. If the ball you choose to play is in a hazard (sand, water, etc.), the rough, or out of bounds, you cannot drop the ball outside the hazard or rough even if relief is within one club length.
4. Above scramble procedure is followed on every shot for the remainder of the holes, including the putts. The ball should be marked on the putting green as well.
5. Every player's putt attempt needs to be made within 3 inches of the marked spot (no closer to the hole). The first ball to go in the hole is counted for the team score. When putting, once any ball is holed out, no further strokes count. The team is cautioned not to make "tap" in putts until all the team members have had the opportunity to attempt the team's original putt.
6. Each player's tee shot must be used at least two times during the 18-hole competition.
7. Men tee off from the white tees and women from the red tees. Seniors over 65 can also play from the red tees.
8. Only one ball, and thus one score counts per hole for each team. Players record the number of strokes taken at each hole and total them up at the end of the round.
9. The primary method for scorekeeping will be a signed and attested scorecard submitted after 18 holes. Players are encouraged to download the Sea and Air Golf app and input scores as they go to increase competition, however this will not substitute for your official scorecard.

Tournament Rules

10. A maximum of three feet of string can be purchased per player via **Super Ticket** or a la carte. String is one time use; once it's used it's gone. Choose wisely!

11. In the event of a tie, NHA Staff will compare the scorecard of the teams that have tied, starting with the hole with the highest handicap. If the teams have tied on that hole, move to the hole with the second highest handicap, continuing until one team has a lower score on that particular hole.

12. Lifetime Members Only: "Free Putt" rule. If your ball lands completely on the putting green, each team is allowed a "Free Putt" and can move on to the next hole. The score will reflect as if the team made the putt from the position of the ball without having to shoot (simply add one stroke and move on to the next hole). **The team can use the "LTM Free Putt" only ONCE during the tournament. Cannot be used on hole #18 - Longest Putt. Regardless of the number of lifetime members on a team, only "ONE LTM Free Putt" will be allowed during the tournament.**

13. Rulings and controversy shall be directed to the Tournament Host: HSM-41 Seahawks. As defenders of the Founders Trophy, all their rulings are final.

14. Pace of Play: Ready golf... keep it moving!
